

Vocus named as second fastest growing technology company in Asia Pacific with 11,306 % revenue growth

Sydney, 2 December 2010: Independent wholesale telco Vocus Communications Limited (ASX: VOC), has taken second place at the prestigious Deloitte Technology Fast 500 Asia Pacific 2010 Awards today.

“Winning second place in the Asia Pacific region, up against companies from fast growing economies such as China and India, makes this a very special result for Vocus and demonstrates the strength of the Vocus model. We are very proud of this achievement,” Vocus CEO, James Spenceley said.

Joshua Tanchel, leader Deloitte Technology Fast 500 Program, congratulated the Company’s successful placing against some very strong competition in the Asia Pacific region.

About Vocus

(ASX:VOC) Vocus Communications is an ASX listed leading telecommunications provider of wholesale data centre, voice, peering and international Internet connectivity to telecommunications companies and ISPs across Australia, NZ and the US. The company provides high performance, high availability, and highly scalable communications solutions, which allow service providers to quickly and easily deploy new services for their own customer base.
