

Critical Information Summary

Inbound 13, 1300 & 1800

Information about the Service

Service Description

PIPE Networks Inbound Service is a telephony service providing free phone (1800) numbers or local access (13/1300) numbers. Calls can be made to PIPE Networks Inbound Services within Australia from a mobile or fixed line phone and can be terminated at your nominated answering point(s) in Australia or overseas.

Minimum Service Term

The Inbound Pay As You Go plan is available on 12, 24 or 36 month contract term. The 1300 Inbound – Local Included Value and 1300 Inbound – Included Value plans are available on a 24 or 36 month contract term.

Early Termination Charges

If you cancel the service before the end of your contract term, Early Termination Charges (ETCs) will apply. ETCs are calculated as 18% of the monthly charges multiplied by the number of months, or part thereof, between the date of termination and the end of the Initial Period.
