

BizPhone with Webex App - Terms of Use

1. These terms govern your access and use of the BizPhone with Webex application. By using the app you indicate that you accept these terms of use and you agree to abide by them.
2. BizPhone with Webex App is an application designed to help desktop, mobile phone or tablet users utilise BizPhone features via their desktop, smart phone or tablet. BizPhone with Webex App may be downloaded by desktop, mobile phone or tablet users on any network within Australia.
3. Instructions on how to configure or use the BizPhone with Webex App are available in the user guide at <http://bizphone.net.au/resources/>.
4. BizPhone with Webex App works on specific Operating Systems and Browsers. The minimum system requirements can be found at <https://help.webex.com/en-US/article/nk90t65/Webex-App-%7C-System-Requirements-and-Support-Policy>.
5. If you own or operate your own Firewall, Network requirements (such as Port Numbers and Protocols, IP Subnets and Domains and URLs) will also need to be reviewed and configured to allow the BizPhone with Webex App and devices to communicate with Webex cloud signaling and media services. Click [Port Numbers and Protocol Requirements](#), [IP Subnets Requirements](#) and [Domains and URLs Requirements](#) to review these Network Requirements.
6. BizPhone with Webex App is provided on an entirely "as-is" basis. Responsibility for the use of BizPhone with Webex App is strictly and solely that of a user. Unless stated in these terms, shall not be liable for any loss or damage, howsoever caused, in connection with any download or use of BizPhone with Webex App.
7. You must not edit, modify, copy, reverse engineer, decompile or otherwise tamper with BizPhone with Webex App.
8. These terms may be modified, added or withdrawn at any time. Where a variation would adversely affect you, we will give you reasonable notice having regard to the nature of the change.
9. Full functionality (including Emergency Call Services) of BizPhone with Webex App requires an internet connectivity. The minimum bandwidth requirements for the BizPhone with Webex App voice and video calling can be found at <https://help.webex.com/en-US/article/WBX22158/What-are-the-Minimum-Bandwidth-Requirements-for-Sending-and-Receiving-Video-in-Cisco-Webex-Meetings?>

10. We grant you a non-exclusive, non-transferable right to use BizPhone with Webex App for your use only subject to your compliance with these terms. We may add or withdraw features from time to time.
11. We own all proprietary rights in BizPhone with Webex App. You will not have any right to BizPhone with Webex App apart from the right to use BizPhone with Webex App in line with these terms.
12. You agree that we may transfer our rights and responsibilities under these terms to related body corporate of Pipe Networks Pty Limited. If we transfer our rights and responsibilities to any other organisation, we will let you know. At any time we can reveal any information we consider necessary to satisfy any law, regulation, legal process or government request which may apply. If any of these terms (or part of them) cannot be enforced by any court or other authority, we will delete it from these terms and it will not affect the rest of the terms. We may send you notices by email, text, post or on our website. These terms will be governed by the laws of New South Wales. Any disputes will be dealt with by the courts of New South Wales. Nothing in these terms will affect any legal rights you have as a consumer- For more information about your legal rights, contact an organization that can provide advice for consumers.
13. BizPhone with Webex App is provided by Pipe Networks Pty Limited.
