

Let's

*Empower*

your business

**BizPhone with Webex**

[vocus.com.au](https://vocus.com.au)

**VOCUS**

# Our powers combined!

Combined capabilities of the best in business

PIPE Networks and Webex by Cisco can help you achieve your desired business outcomes

Improve employee engagement and productivity

Accelerate responsiveness and time-to-market

Retain your employees and customers

Be more agile and compete more effectively

## Cloud based 'Unified Collaboration' service

Unlimited Mobile calls and unlimited Local & National calls

## Why BizPhone with Webex for business collaboration?

### Simple

One app tightly integrated with your calling and Cisco Webex messaging and meeting

Easy integration with Cisco video end points makes it a great solution for hybrid workplaces

### Productive

Webex allows your employees to work collaboratively and connected

### Secure & Reliable

End-to-end enterprise-grade encryption keeps your proprietary data safe

Protection from technology obsolescence

### Flexible & Predictable

SaaS model, per-user, per-month, lets you scale users up or down as needed

No on-premise equipment or IT staff required
